GP Recruitment Night

Wednesday 11th July 2018

GP opportunities, London

Why choose HCA Healthcare UK? As the largest single provider of private GP services in the UK, our GPs are able to practise to the highest of standards, offering a full range of fast and efficient Consultations, Diagnostics, Referrals and Treatments, with the freedom and autonomy to deliver world-class care without restriction.

We Care That You Care

Our Doctors undergo regular Continuing Professional Development (CPD) and have the time to care for our patients with appointment times varying from 15 minutes to 1 hour.

Working for a private healthcare group you can really take personal reward in putting your patients first with quick referrals into world-class facilities, as well as the ability to offer a vast range of investigations including imaging and radiology scans, lifestyle advert, physiotherapy, chiropractor and osteopathy, psychiatry and counselling.

Benefits

As an organisation we're committed to wellbeing, offering a variety of employee benefits including:

- **Part-time and flexible working opportunities** to promote your work-life balance
- **Fully Funded Indemnity Insurance**
- **Supported funding for Occupational Health Diploma and Management Courses** should you wish to further your development in these areas
- **Private Health Insurance**
- **Private Pension** for your long-term security
- **Protective Study Leave & Study Leave** allowance to support your professional development
- **Monthly CPD** in-house training sessions

We'll be hosting a GP recruitment open night at **7pm** on **Wednesday 11th July 2018** at New Broad Street, London EC2M. To join us, you need to be GMC registered and on the GP Register.
